*FEMA Individual Assistance Teams - Long Hill visit EXTENDED. FEMA will be be coming again **Thursday September 16th**.*

They will again be setting up a pop-up tent/desk in front of Long Hill Town Hall building (in plaza in front of Library entrance) They will be here from 9am to 5pm again. [915 Valley Rd, Gillette, NJ 07933] Please have available a photo ID and know your social security number.

Assistance and Financial Aid from the IDA Storm/Flooding Event:
For anyone who has considerable damages from IDA, please see important links below:

1) NJ State website that allows you to report your damage: https://damagenj-njoem.hub.arcgis.com/
Reporting here assists the state/county in determining our eligibility for federal and state funding, as well as being the first step toward receiving state/federal assistance money. (note: this is not an application for assistance. Simply a report of the damages).

2) Register with FEMA to get Disaster Assistance: https://www.disasterassistance.gov/
Reporting here is the first step to get financial assistance from FEMA. Morris County is now approved to submit for assistance (as of this past weekend)

3) There are 2 ways to directly speak to someone from FEMA (in-person), should you desire:
a. FEMA/NJ State Police are setting up a Disaster Recovery Center(DRC). Details on location, times, etc.. TBD
b. FEMA Individual Assistance Teams - Long Hill visit. FEMA will be setting up a pop-up tent/desk in front of Long Hill Town Hall building (in plaza in front of Library entrance) on **Wednesday, September 15th (this Wednesday). They will be here from 9am to 5pm. [915 Valley Rd, Gillette, NJ 07933] Please have available a photo ID and know your social security number.**
