

LONG HILL TOWNSHIP, NEW JERSEY

REQUEST FOR PROPOSALS FOR WASTEWATER SYSTEM CONDITION ASSESSMENT
AND ENGINEER'S REPORT ISSUED ON APRIL 18, 2016

PROPOSER QUESTIONS AND TOWNSHIP RESPONSES
DATED APRIL 29, 2016

Question 1: Are there any provisions for the cost proposal?

Response 1: The Proposer is expected to propose fees for the requested services and projected total costs (See p. 4 of RFP (Proposal Content)).

Question 2: Are successful firms precluded from later, related work, which might include program management, CIP development, and design?

Response 2: No.

Question 3: Upon further review of the Engineer's Report, we would like to receive an electronic copy of the following items as listed on page 5 of the report: (1) Dry and Wet Weather Analysis Interim Report (Phase I), September 20, 2010 by CSL Services, Inc.; (2) Dry and Wet Weather Analysis Final Report – Phase II, May 4, 2011 by CSL Services, Inc.; and (3) Letter from Mario Bonaccorso to Tim Bradley summarizing I&I reduction-related work in the collection system to date.

Response 3: For an electronic copy of the above referenced documents, please email Megan Feliciano at mfeliciano@hawkins.com.
