

Energy Assistance Days 2018 – Get the Help You Need

Energy costs are a big part of the family budget, and if you're on a limited income, they can sometimes be a burden. If you could use some help paying your electric bill, be sure to attend one of the upcoming Energy Assistance Days events near you.

Representatives from JCP&L as well as Community Action Partnership agencies will be on hand to:

- Determine which energy assistance programs are best for you
- Assist with the application process
- Answer questions about your bill

To apply for assistance, you'll need to bring Social Security cards and proof of income for all household members, your deed or rental lease and a recent electric bill.
