\* **For a complete list of all the Travel Basketball Policies, (including policies related to the try-out process),** please see the website ([www.longhillnj.gov](http://www.longhillnj.gov) under Recreation/Travel Basketball).

\*Second try-out dates will be announced after the first try-out night if a second try-out is determined to be needed. It is possible that we may decide *not* to hold a second try-out date based on the number of players and the make-up of the players that show up to the first try-out night.

\*There is an independent panel that will be conducting the try-outs and selecting the teams. After the try-outs are complete, the teams will be posted on the website ([www.longhillnj.gov](http://www.longhillnj.gov) under Recreation/Travel Basketball). The players will be listed by try-out number only (not name).

\*All candidates will be given a number to be pinned onto their shirts during try-outs. It is very important that each candidate save the number after the first try-out and wear it again during the second try-out. (No one should wear a Long Hill Travel Basketball Jersey from prior year to try-outs.)

\*Try-outs are closed. Parents of players and previous/potential coaches are not permitted to be in the gym during try-outs.

\*A “Parents Meeting” will be held during the first try-outs (while the players are in the gym) to discuss commitment to the team/program and selection process. This is a very quick meeting. Parents should note the “Parent Meeting Time” noted in the above table. Please make every effort to attend this meeting if you are not familiar with the program. If you are not able to make the meeting and have not participated in the program before, please arrange to send someone in your place or have another parent take notes for you.

\*These are competitive teams and are separate from the Recreation Basketball Program that is held on Saturdays. Those selected for the Travel Program are welcome to play in the Recreation Program as well.

\*The fee for Travel Basketball for the season is \$200, plus the cost of the jersey (approximately \$40—same jerseys as last year). Shorts will be provided for each player, but uniform tops will be purchased.
