**DISCUSSION:**

- Environmental Commission ANJEC Grant – Terry Carruthers requested, and received, the Township's support for the Environmental Commission's application for an ANJEC grant to build a pollinator garden for monarch butterflies. The Committee directed Ms. Malool to write a letter of support as requested in the application.

- HPAC requested approval for funds to install a wire art display system at the Old Millington Schoolhouse. The cost was expected to be around \$2000. The Committee requested two quotes be supplied by HPAC before the approval be given. HPAC also requested and received approval for \$1000 to purchase a defibrillator to be kept at the Old Millington Schoolhouse. Rec. Dir. Scanlon would be responsible for its upkeep.
- Recreation Dir. Scanlon was requesting \$95,000 for a new playground at Stirling Lake. This funding would come from the Open Space/Recreation/Farmland Preservation/Historical Fund. The current play ground is years past its expected lifetime and after a recent JIF inspection, was found to be in need of at least \$10,000 worth of repairs. After lengthy discussion, the Committee voted to have a CAP ordinance be introduced at the next meeting for \$95,000 for the playground. (Ayes: Rae, Piserchia, Dorsi, Nays: Schuler, Meringolo) Additionally, the Long Hill Township Baseball & Softball Association is requesting funds to replace the current snack shack deck with a larger newer deck. Mayor Dorsi stepped out of the room for this portion of the discussion. The one cost estimate Administrator Malool had was between \$26,000 and \$29,000 and included volunteer labor. After lengthy discussion in which Committeeman Schuler stated he was uncomfortable funding a project which would in fact be helping the Baseball Association do their fundraising, the Committee made no decision and will consider the request in a future meeting.

**MOVED** by: Committeeman Meringolo of the Township Committee of Long Hill Township, that Resolutions #19-130 and 19-131 are hereby approved. **SECONDED** by: Committeeman Piserchia.  
**ROLL CALL VOTE:** All in favor.

**OLD/NEW BUSINESS:**

- Chief Naga noted that the Police Department had received several calls from resident saying they were getting notified that their automated 911 service was about to expire. This was actually a reference to the RAVE 911 System which allows residents to enter extra information regarding their homes/pets/people with disabilities etc. into the 911 system to aid the responders. The residents notice was to update that information, which requires updating every six months. Chief Naga assured the residents that everyone still had access to the regular 911 emergency service line.

**MEETING OPEN TO THE PUBLIC:**

- Charles Arentowicz, Millington, questioned the budget reserves for new fire equipment, and wants to know why the Open Space Fund Committee was not present for the discussion regarding the \$95,000 requested for the new playground at Stirling Lake. He also received confirmation from Attorney Pidgeon that citizens have to use the OPRA system to get copies of documents like the letter cited in Resolution #19-172.
- Mary Noonan, Gillette asked for clarification about the capital reserves and how the Township would fund either the cleanup costs or litigation costs for the wastewater system site and wondered if the Township would be grandfathered in for the level of cleanup required since the contamination was so long ago. The DEP had informed Attorney Pidgeon and Committeeman Rae and Piserchia that they would be insisting on making the Township apply current standards for the safety of the residents.
- Tom Grosskopf questioned the amount in the Parking Utility and asked the Committee to think carefully about associated costs and whether people would be responsible in caring for the dog park before they voted at the next meeting.

**ADJOURNMENT**

On motion of Comm. Rae, seconded by Dep. Mayor. Piserchia and carried unanimously, the meeting was adjourned at 10:12 p.m.
