

## **Vision Committee Meeting Minutes-5/7/15**

**In attendance:** Peter O'Neill, Jerry Aroneo, Cornel Schuler, Neil Henry, Lisa Scanlon (joined late), Walter Carrell

- Wish lists from each committee (environmental etc.) will be put up on website as received.
- Check with Paul Ferriero to determine if there is a user friendly software that the property plot could be placed on that would allow the vision committee to sketch potential ideas on the property once the LOI was received.
- Research the procurement of a GPS trail tracker that could be used when plotting trails.
- Do assessment of possible DEP consultants who could assist in interpreting the LOI and how the Township could navigate through the DEP with its final vision. Neil to call Frank Pinto and Ben Spinelli.
- Deed for the Hicks Tract-Lisa to secure and make available to the Vision Committee.
- It was decided not to put the list of 38 properties on any public domain, including the Township's website. Walter made mention that there are two additional properties that should be added to this list, and our engineer has them.
- Determine what type of survey Paul did as part of the LOI. We do not have the LOI survey back from the DEP as of yet.
- Secure an aerial photo to map out the boundaries of the entire property.
- Locate a color copy of the original concept plan. Walter Carrell will send us color copies of the Central Park composite.
- It was suggested the committee adhere to the 100 acre process strategy developed by the Open Space committee.
- Jerry Aroneo stated that they do not have the 501c3 paperwork back from the state yet for the "Long Hill Central Park Matters". This organization was started by Jerry Aroneo, Brian Johnstone, and Mike Mazzucco to help fundraiser for the development of Central Park.
- Meeting adjourned at 8pm. Next meeting: Thursday, June 4, 2015, 6:30pm.
