Residents,

Please be aware of the following changes for garbage and recycling pick up this week.

Due to the impending storm:

Garbage pick up scheduled for Monday, Feb. 1st will be collected on **Tuesday Feb 2nd.**

Recycling is postponed for the Township and will be collected **Saturday Feb. 6th.**

If you have your bins at the curb today please remove them.

The forecast is calling for a significant amount of snow. Rest assured our Long Hill and County road crews will be out and hard at work to clear the roads.

We ask for everyone's patience and cooperation. Please avoid any unnecessary travel and keep parked cars off the streets so crews can clear snow.

Thank you,

Al Gallo

Township of Long Hill
