To Whom It May Concern,

The New Jersey State League of Municipalities and I have an excellent scholarship opportunity for the high school juniors and seniors from Long Hill Township.

We have teamed up to offer three \$1,000 scholarships through the Louis Bay 2nd Future Municipal Leaders Scholarship Competition. This statewide scholarship competition centers on the theme this year on "How has local government played a role in your life regarding the ongoing pandemic?" and seeks to advance the virtues of elected and volunteer members of the municipal government.

Many of the elected officials and appointed board members serve Long Hill Township) with little or no compensation. It is their altruistic desire to serve their community which compels them to public service. These officials, along with a cadre of dedicated professionals, are guardians of our hometown comforts and security. They give of their time and talents to help plan our community and preserve our way of life.

They serve us year-round, every day, and yet are hardly noticed. This scholarship competition will help rectify that while encouraging our future municipal leaders.

Full details on the application process and contest are enclosed. I hope to see many of our young adults representing Long Hill Township in the Louis Bay 2<sup>nd</sup> Future Municipal Leaders Scholarship Competition.

Sincerely,

Guy Piserchia  
Long Hill Township Mayor

## WHAT IS THE LEAGUE?

The New Jersey State League of Municipalities is a voluntary association created to help communities do a better job of self-government through pooling information resources and brainpower. The League is authorized by state statute and since 1915, has been serving local officials throughout the Garden State. All of New Jersey's 565 municipalities are members of the League. The 565 mayors and 13,000 elected and appointed officials of member municipalities are entitled to all of the services and privileges of the League.

The League publishes a magazine, *New Jersey Municipalities*, that reports up-to-the-minute information on municipal administration and procedures with practical examples, news notes, and new laws. It is one of the must-reads for municipal officials and is sent to more than 4,500 readers each month.

In addition to the magazine, other League services include: Bureau of Municipal Information; Ordinances and Codes; Research; Legislative Analysis; Legislative Bulletins; New Laws; Contracts, In-Service Training; Personal Consultation; Instructional Seminars and Research Publications. Nearly all League services are available through the League website [www.njlm.org](http://www.njlm.org).

The highlight of the year's activities is the Annual League Conference, held each November in Atlantic City at the Atlantic City Convention Center. The Conference is an invaluable learning experience which yields benefits throughout the year. Delegates have the opportunity to learn and ask questions at more than 100 panels, clinics, workshops, and other sessions conducted by the League and the 21 associations of technical and professional employees allied with it. Commercial, government and association exhibits display the latest products and services for municipal government. This year due to the COVID-19 pandemic, the Annual Conference was held virtually, including many educational sessions that are available on-demand until November 2021.
