Re: Capacity Assurance Program Deadline

Dear Mr. Patel:

I am in receipt of your letter dated November 15, 2017 regarding the Township's Capacity Assurance Report (CAR). Please be advised that on November 8, 2017, the Township Committee authorized the funding for the new CAR. On November 29th, a contract was signed with Kleinfelder to perform the work detailed in the November 17 proposal. Copies of these documents are attached.

It is anticipated that, within sixty days from the signing of the contract, a draft report will be presented to the Township Committee. After the draft is finalized, the completed document will be submitted to the DEP.

Sincerely,

Nancy Malool
Township Administrator
